If you are interested in running for a position on the board and serving our foundation please let us know. We will have elections early in 2020. Contact John Mitchell at 414-333-4745 to sign up as a candidate. All members are invited to apply.

### 2020 CALENDAR OF EVENTS

Check [www.adaptivesportsmen.org](http://www.adaptivesportsmen.org) for more information

**2/28-3/1 Madison Fishing Expo** We need volunteers to help man our booth at the Madison Fishing expo. This is a fun time, we get the word out to the public about our organization and sell raffle tickets to raise money to support our events. You will get into the show free and have a chance to check out all of the other booths and exhibitors. Contact John Martinson at 608-628-2633 to sign up.

**3/4-3/8 Milwaukee Sport Show** We need volunteers to help man our booth at the Milwaukee Sport Show. This is a big show, with exhibitors from all over the world and many hunting and fishing booths to see. Help us get the word out to the public about our organization and sell raffle tickets to raise money to support our events. You will get into the show free and have a chance to check out all of the other booths and exhibitors. Contact John Mitchell at 414-333-4745 or [jmitchellwi@prodigy.net](mailto:jmitchellwi@prodigy.net) to sign up

**4/3-4/5 Madison Deer & Turkey** We need volunteers to help man our booth at the Madison Deer and Turkey Show. This is another big show, with exhibitors from all over the world and many hunting booths to see. Help us get the word out to the public about our organization and sell raffle tickets to raise money to support our events. You will get into the show free and have a chance to check out all of the other booths and exhibitors. Contact John Martinson at 608-628-2633 to sign up.

**4/4 Halter pheasant hunt** The Halter Pheasant Hunt in Pleasant Praire was cancelled last year due to construction at Halter, but we are back this year and hope to have a big group of hunters at this wonderful event. There are plenty of birds and some awesome volunteers (both human and dogs). You can warm up by shooting trap, Go out and hunt the pheasants and come back for a nice meal. Contact John Mitchell at 414-333-4745 or [jmitchellwi@prodigy.net](mailto:jmitchellwi@prodigy.net) to sign up

**5/28-5/31 Northwoods Adventure in Mercer** Our revised Northwoods Adventure in Mercer is held at Pine Forest Lodge. What started out as an ATV Ride has evolved into Fishing, Boating, Hiking, ATV and Kayaking event. We can have loaner units for the people who want to ATV, there are Kayaks to take out on the lake, along with kayak lessons from John Stratte for beginners. Fishing on the 385 acre lake is really nice. Pine Forest has a pontoon boat to use for rides on the lake. There are many trails to hike and we should have a track chair to use for those who want to go out on the trails. This is a great place to enjoy the north woods of Wisconsin. Contact Allen Neu at 414-617-4870 or email [allenneu@gmail.com](mailto:allenneu@gmail.com) to sign up.

**6/13/ Horicon Bowmen 3-D Archery Shoot** Our annual 3-D Archery Shoot at the Horicon Bowmen's clubhouse is a nice way to hone your archery skills during the summer, meet old friends and make new ones. We have atv's, gators and trak chairs to help you get out on the course and 30 targets to shoot at. An optional steak dinner is offered after the shoot. Come out and enjoy the fun. Contact John Mitchell at 414-333-4745 or [jmitchellwi@prodigy.net](mailto:jmitchellwi@prodigy.net) to sign up.

**7/31-8/2 West Bend Deer Fest** We need volunteers to help man our booth at the West Bend Deer Fest. Help us get the word out to the public about our organization and sell raffle tickets to raise money to support our events. You will get into the show free and have a chance to check out all of the other booths and exhibitors. Contact Cal Popp at 920-517-8027 to sign up.

**10/22-10/25 Clintonville Archery Deer Hunt** Our annual archery deer hunt in Clintonville is a a nice hunt, with opportunities to hunt in northeastern Wisconsin. This is a good chance to get out and hunt while the weather is nice and the bucks are in rut. Contact Joe Ehr at 920-225-9797 for info or to sign up

**10/29-11/1 Sandhill deer hunt** Our second annual archery deer hunt at Sandhill should be a wonderful chance to see deer, and maybe this year we can get some shots. This is a prime hunting area and a good time to get into the woods while the deer are moving around in rut. Contact Glenn Howell at 715-456-4619 for info or to sign up.

## Include Adaptive Sportsmen in Your Will

Estate planning is never a real popular topic to talk about, but it is better to plan now than leave your heirs wondering what you wanted to do. You can also take the time to sort out what you want to leave as a legacy. Adaptive Sportsmen is hoping that you will consider us when you start your planning.

**Donation of hunting equipment and adaptive equipment.** We can get your good used equipment to a needy ASI member or sell it and use the proceeds for our events. Used vans, wheelchairs, crossbows, and guns are popular items to donate. **Dedicate any amount of money or property for a specific purpose** We will keep that money separate and use it as you wish. From \$2 to \$200,000, any amount is good. **We can memorialize your donation or let it remain as an anonymous donation.**

**Donate in the form of a charitable trust.** We can act as the trustee for your charitable trust if you want to transfer larger donations or real estate while retaining control of the asset during your lifetime.

## Passed on

**Paul Jaglowski** passed away in November 2018. He frequently attended our Shooting Picnic with his grandson. He stood out because he was so polite.

**Dick Patton** a volunteer guide for us in Baraboo and Clintonville passed away in September 2019. His ever present smile and jokes will surely be missed..

**Cal Popp's** wife, **Christine**, passed away in late October. I think all of the Adaptive Sportsmen members know how much she did to help Cal continue to enjoy the outdoors and her support for our organization.

## Horicon 3D Shoot

The Horicon Marsh Bowmen hosted a great shoot again this year. We shot at dinosaurs, domestic and exotic animals. There was a fleet of Track Chairs to take people around the course. The Boy Scouts were there to retrieve arrows and mark scores. After the shoot storytelling took place as steaks were on the grill. Potatoes, vegetable and desert finished the meal. The day was capped off with the bucket raffle results and prizes. Access Ability Wisconsin and Wings over Wisconsin furnished the Track Chairs. Rob Krantz of Horicon Marsh Bowmen organized the great event. Mary Mitchell conducted the bucket raffle and prizes.

## Clintonville Hunt 2019

This was my second year of going to the Adaptive Sportsmen's hunt at Camp Christus in Clintonville. I arrived Thursday and entered the building and observed the 20 foot long table laden with candy bars, rice krispie treats, granola bars, fruits, chips and who knows what else. It was a perfect start for a hunter who was half diabetic and on a vacation from a wife that will never know.

I had chatted with Joe Ehr earlier in the year and suggested name tags would be a good idea. As it turns out Joe's tag was ME, Randy Johnson's was YOU and mine was YOUR. All in good fun. Evert Roe soon arrived with a truck full of kohlrabi, turnips and brussel sprouts that went into the kitchen where Greg Borgwardt and Mary Mitchell could turn them into food for our hungry crew.

Friday morning YOUR went out to set up his blind and start the morning hunt. Twenty minutes later a buck walked up to him at 10 yards. The shot was made and YOUR heard the arrow hit him. After waiting twenty minutes YOUR gained his composure and began tracking the deer. The deer had staggered off, and laid down several times so YOUR decided to go back to camp and wait. After an hour, ME, You, Bob Castelion and YOUR went back out with the UTV and the buck was found, the first of the hunt. Later in the weekend Bernie Pagenkopft shot a nice buck too. So with 8 hunters at camp, that was a pretty good hunt. I would suggest that if you are looking for fun, camaraderie, and good hunting you should come up to Camp Christus for a deer hunt.

## Kelly Lake Fishing Picnic

Dozens of fish were caught including bluegills, crappie and bass. Roger Drews caught the most with his secret touch and shared the catch with others. Chris Salome caught the largest bass with his special lure and it was released to fight another day. The weather was perfect for the outing which was a blessing since it was so much better than forecast. Thanks to our boat captains Al Desphonso and Jim Stack for a great time on the water and thanks to Luke Davies for filleting the fish. Greg Borgwardt, Dwayne Borgwardt and Rick Oldenberg worked the grills cooking hamburgers, bratwurst and hot dogs. Linda Harris, Garth Harris and Donna Borgwardt helped with the meal set up and preparation. Chips, beans, salads, fruit, brownies and cookies rounded off the meal. Mary had her bucket raffle which is always a crowd pleaser. Thanks to Bob Castelion for the homemade wood crafts. Thanks to our sponsor the Evinrude Foundation and Don Teffer who hosted us. By John Mitchell

Other comments include:

I must admit that I had a great time fishing Saturday. As I was coming up to the tent a young man said he didn't know that there were bass in Kelly Lake. He knows now. Might that creel of fish have been a record catch for the adaptive Sportsman outing? It seemed like it to the crowd that went fishing. If possible I'd like to fish it again. Thanks for the great time. Rev. Roger Ph. Drews.

## Fall Pheasant Hunt

This was our first of many, (hopefully) Feather Ridge Game Farm Disabled Pheasant Hunt and it was a BLAST! Our hosts Gary and Katz Jackson orchestrated a perfect pheasant hunt for eight Physically Challenged hunters to have the experience of getting out into the marsh in track wheelchairs to harvest some pheasants. It was exciting watching the pointer dogs work the fields then becoming frozen pointing to where the birds are hiding. We started the day out with Gary giving a safety speech on gun handling and being careful of not shooting low flying pheasant to avoid shooting someones dog or another hunter. Everyone enjoyed sandwiches for lunch to fill up our bellies for all of the fun and excitement of being able to get out and hunt some pheasants. Then we shot trap to make sure everyone was comfortable and safe with shooting their shotgun. I transferred onto a track wheelchair and put my air filled Roho cushion under my butt to protect myself from getting a pressure sore because I have no feeling down there. I could recline way back in the seat which helps me hold up my shotgun, because I have no abdominal muscle. It's awesome to be able to move around in the wet terrain and position yourself in order to get a good shot because I have limited range in order to shot safely. Jeff and his son Forrest Ericksen with their pointer dog Greta worked the heavy marsh land and I was fortunate enough to harvest four beautiful roosters.

Our hunters **Dale Rebernik, Rick Schaffer, Rich Moncher, John Martinson, Steve Lang, Terrance Green, Dustin Palenshus,**and, **Dale Nelson** We would like to thank all the volunteers and dogs.

We would also like to thank our generous sponsors **Feather Ridge Game Farm, SCI Badgerland, SCI Wisconsin, MacFarlane Pheasants, Jeff Ericksen, Wings Over Wisconsin, Dane County Conservation League, Tom's Guns and Access Ability Wisconsin.**

Thanks,

John Martinson

## It can be yours

"The James E Dutton Foundation has provided a grant to Adaptive Sportsmen Inc. to start a program helping physically challenged people with the cost of acquiring their own Adaptive Equipment for enjoying the outdoors. Applications are being reviewed and should be sent to 8727 W Coldspring Rd Greenfield, WI 53228. Thank you is an inadequate expression for their generosity. We are eternally grateful.

**Check our Facebook page for more pictures. Send in photos of your fishing and hunting activities (and success) if you would like to share them.**

## Madison Fishery

Adaptive Sportsmen fifteenth annual fishery was so hot we had to bring our people in early so they didn't suffer a heat stroke. The weather was hot but so was the fishing. We picked up some nice pan fish and stripe bass. The Madison School District 30 foot pontoon boats worked great for loading people in power wheelchairs up with their aluminum ramps and extra wide gates so they can just drive right on the boat. We tried something different this year with deep frying fish for lunch to get people hungry to catch some more. Please join us next year for the fun and opportunity to get out fishing.

## Sandhill Area Archery Hunt 2019

Our inaugural hunt took place 9/20/19 to 9/22/19. It was hot! Deer were seen every day among the five hunters and their guides but no shots were fired. The accommodations worked out well and Greg provided a feast every day. We had made to order eggs and bacon for breakfast. Hamburgers, bratwurst and Italian sausage any time of day; stew, chicken bake and grilled salmon for dinner (courtesy of the Johnson brothers Alaska trip). Pies and brownies were constantly available. Hunters at Sandhill were Weston Strasser, Glenn Howell, Rich Moncher, Ron Wroblowski (Doc) and Gregg Edgerle. Guides were Randy Hahn, Greg & Roger Johnson, Randy Johnston, Aaron Anderson and guide coordinator Al Jeske. Hunters and guides commented that it was a great time. The 2020 hunt will take place in October.

## Adaptive Sportsmen's Cook Book

The fund raising cook books have been received and are now on sale for \$10. Contact Mary Mitchell at mary.mitchellwi@yahoo.com or 414-916-2298 to get your copy. We will have some at all of our events. A big thank you to all who donated recipes.

## 2019 Shooting Picnic

We had beautiful weather again this year and shooting began promptly at 10:00. More than 700 rounds of .22 went downrange. The reactive pistol bay was a premier attraction. The archery range was set up nicely and the Adaptive Sportsmen crossbows were put to use. Cases of shells were used on the trap line. The 3:00 bucket raffle drawing drew a crowd as they anticipated their winnings. Thanks to Mary Mitchell and her crew for serving a wonderful lunch and to Jason & Damon Popp for their work on the grill. The Wisconsin Safari Club was our main sponsor for the picnic. Pictures tell the rest of the story.

## Send in your pictures and stories for the Newsletter

We would like you to send pictures in for future newsletters and please include names and dates. Everyone likes to see themselves and their friends in print, lets make it a habit so we can showcase our group. Send your pictures via email to allenneu@gmail.com

### Adaptive Sportsmen is 15 years old, can you believe it?

In November of 2003, Volume 1 of the Adaptive Sportsmen's newsletter was published. ASI was a new group, formed by a group of Wisconsin hunters and fishermen, with a vision of what opportunities could be developed for people with physical disabilities. The newsletter was a way to chronicle our progress and inform the community about what we were doing to broaden the horizon for people with disabilities and to open up to them the fantastic outdoor experience that is Wisconsin.

We received our 501(c)3 in the spring of 2004, making us a registered nonprofit. That is the official birth of our organization, and many of the people who were critical in that effort are still working hard to keep ASI strong and growing even now. We are taking the time now to look back at that beginning and remember how we started and what has made us successful to this point. We will be reprinting some articles and pictures from the first few newsletters, I hope you enjoy them.

### Opening letter from John Mitchell, November 2003

Able body and physically challenged volunteers and sponsors in Wisconsin have shown a tremendous commitment to physically challenged sportsmen by sharing their time and money to help out with bow and gun deer hunting events and 3D archery tournaments. The efforts of volunteer sportsmen in Wisconsin during the last five years has resulted in the organization of more new hunting and target shooting opportunities than most other Midwestern states. Your efforts have allowed many physically challenged hunters to take their first deer with a bow, to go turkey hunting again, and to participate in outdoor recreation activities that would normally be impossible for disabled people to enjoy. Many individuals have suggested we can do even more to open up the great outdoors to disabled people. This is our goal.

In order to accomplish this goal, a new corporation has been formed in Wisconsin called the **Adaptive Sportsmen, Inc.** The corporate charter for Adaptive Sportsman states that the purpose of the organization is to provide outdoor recreational opportunities for physically challenged people. In addition to the whitetail deer hunts and 3D archery tournaments, other recreational activities like fishing events, turkey hunts, and goose hunts have been suggested. Also, the many volunteers in Wisconsin have offered additional opportunities for gun and bow deer hunting.

We know that the volunteers and sponsors in Wisconsin are a strong force and can accomplish much more in the future. Our purpose at the Adaptive Sportsman is to work with the generous people of Wisconsin in continuing to expand the available outdoor recreation events for physically challenged people. We will sponsor some of these events, and will provide contact information for outdoor recreational opportunities that are offered by other organizations.

Both able body and physically challenged members are welcome to join Adaptive Sportsman Inc. We will have membership applications available at our meetings and events, or you can contact us at the location listed below. Feel free to contact us with any suggestions or offers for additional recreational opportunities for the disabled people of Wisconsin

Allen Neu (above right) poses with the 25 lb. turkey he shot this spring with Wayne Ingham's help. Wayne (left) has been a key figure in opening up recreational opportunities for disabled people in Wisconsin, as well as working for Quality Deer Management issues and Hunter Safety training. Vol 1, Nov 2003

Dick Fischer (left), a blind member of the board at Adaptive Sportsman shot this buck in the wind, rain, and snow on the 28th of October. They passed up several smaller bucks but it got too cold to pass this one up. Jim Johnson, a former student and a great friend, helped with the hunt. Vol 1, Nov 2003

We have several youngsters that have volunteered their time for the Baraboo hunt as daytime baby sitters, including Mara Borgwardt, Keaton Grene & Katie Borgwardt (shown above with Hailey Richardson). Other young volunteers have also helped in the field. If you know of a young person that needs to do some service hours for school or a youth program we would be glad to help.
